Electronic personal scale with leather-textured ABS plastic platform and white backlight

Utilizing our 39 years’ experience to better understand your needs

We release more than 45 new products annually

CE-marked and RoHS Directive-compliant products
 With 39 years’ industry experience behind us, no effort is spared when it comes to the quality of our scales. We have 100 QC technicians who conduct a rigorous 20-step inspection process. Our goods are also CE-marked and RoHS Directive-compliant. For added assurance, we offer you one-year warranties.

Production capacity that outweighs the competition
 Maintaining the inventories of Walmart, Target, Tesco and 200 other buyers is no light task. However, we do it with ease thanks to the 3,500 employees and over 29 production lines in our 107,000m² factory. Accordingly,

we manufacture up to 70,000 scales daily – a capacity that our competitors find difficult to match.

More than 45 new items each year
 To keep your catalog fresh, we offer over 45 new designs annually and 450 existing models to choose from. Whether you need simple bathroom scales or advanced scales for healthcare and fitness use, you’ll find them in our catalog. Our designers can customize models in just 20 days. Let us put our 39 years of experience to work on your next project by contacting us today.

Fully certified for easy market entry

Exporting 100% of our products to Europe and the Americas

10 years of export expertise

Since 2004, we've been building up our reputation as a dependable supplier of fully certified appliances for our international clients. We export 100 percent of our heaters, fans and more – all of which come with CE, GS, SAA, CB, ETL, CETL and RoHS marks – to clients in Europe, the Americas and other markets worldwide.

300,000 appliances monthly

The 400 skilled employees in our ISO 9001:2000-certified factory help us maintain our monthly capacity of 300,000 appliances. With advanced equipment such as our automated welding machines, our 32,000m² factory is capable of handling orders large and small. In fact, our MOQ is just one 40ft container of appliances.

Up to 10 new products yearly

Our 20 R&D designers, who each have about 10 years' experience, create up to 10 new products yearly and have earned several design patents for our fans. Orders are shipped in 45 days. To find out why well-known supermarkets in Europe and the Americas love our products, inquire today. We'll reply within 24 hours.

Quality hair care and since 1996

Ensured by 150 QC inspectors

Professional slim hair straightener

Auto-rotating hairbrush with 40 and 50mm brush attachments

Auto-rotating curling iron

Hair clipper with LCD

Steam iron with LCD indicator

Quality ensured by triple inspections

With the benefit of more than a decade of experience, we supply hair care products that are as stylish as the hairstyles they help create. We're serious about providing hair-styling products of the highest quality for discerning international buyers. Thus, a QC team of about 150 inspectors examines every order. We follow ISO 9001:2008-certified production guidelines and check every unit at least three times before shipment.

50 engineers create 30 new models annually

Our 50 engineers will keep you current with 30 new models every year, including hair straighteners, curling irons, hair dryers and hair

Ceramic hot plate

Our products comply with GS A13 standards

Source our featured infrared GS A13-marked cookers and provide your customers with an efficient and versatile way of cooking. Having worked with Home Depot, Walmart, Auchan, Tesco and Aldi, we understand that buyers like you need high-quality products and rapid services.

We carry out production under an ISO 9001:2000-certified system to ensure uniform quality. We also send each item to our in-house testing facility, approved by TÜV, to check for RoHS Directive compliance. CE, CSA and EMC marks

complete the list, making it quicker and easier for you to sell our products to markets worldwide

When you work with us, you won't have to wait long for a response – we'll answer e-mails within eight hours. And you won't wait on shipments either, because we'll have your order ready for delivery in as fast as 25 days. Top retailers in the US and Europe are currently benefiting from these advantages, and you can too. E-mail us today and receive a quick response.

20 new

Variable speed range hood (WT0590)

90 R&D engineers keep the innovations coming

For outdoor camping stoves and ovens, kitchen ranges, range hoods, gas water heaters and more, our manufacturing power and product selection are second to none. Our 90 R&D engineers create 20 new product series annually, renewing designs and keeping the inventories of our multinational clients fresh. We have over 200,000m² of floor space at our two mainland China factories. These facilities house 20 production lines and are manned by over 3,500 skilled workers. This enables us to turn out nearly 500,000 units monthly.

Quality control that you'll appreciate

To ensure you receive first-rate products, we spend a large amount of time on our quality process. For example, we

test our range hoods in our GS- and CE-certified laboratory which is recognized by TÜV Rheinland Group. We also make certain that all of our electric ovens meet energy-efficient standards in the EU. Plus, we have a 66-member QC team that performs a barrage of tests at every production phase. Their thoroughness has helped our products garner all the approvals needed to expedite the importation process.

Well-received among buyers abroad

In 2010, we exported 300,000 gas stoves, 420,000 range hoods and 450,000 water heaters. For more information, contact one of our English-speaking representatives today.

Robotic vacuum cleaner (XR510G)

Robotic vacuum cleaner (XR510B)

Robotic vacuum cleaner (XR200)

Sweep away the competition with our robotic vacuum cleaners

From the creators of mainland China’s first automatic vacuum

In 2005, we became the first manufacturer in mainland China to release an automatic vacuum cleaner. Now, you can benefit from the prowess of the same dynamic designers that broke this market open. Our 80-member-strong R&D team develops all PCBs, software and molds in-house, enabling us to create three to four new state-of-the-art products every year. Take our featured robotic vacuum cleaner, for example. Available in various models, it boasts:

- 3D object sensor instead of a bumper to avoid obstacles
- Programmable cleaning schedule
- Automatic return to charging station function when the battery is low
- Intelligent area optimization
- HEPA-standard filter
- Two main brushes for more effective cleaning
- Low noise – under 60dB

Our 80-member QC team performs one-meter drop and hill climbing tests to guarantee all of our products meet the quality standards of your market. We make up to 70,000 units every month, and can have your orders delivered to you within 25 days. Call us today to discuss your requirements.

Innovation

“

For us, innovation is the key to success in an ever-changing market. Recent years have seen major transformations in global trade, but Global Sources has always kept us ahead of the curve. That was true when they pioneered the use of internet for marketing and it is true today as they help us explore emerging markets. One thing has remained unchanged: our joint determination to create win-win results over 17 years of cooperation.

Global Sources supplier rankings

★★★★★

Suppliers are ranked using a 6-star ranking system. Companies with a higher star ranking provide more business information and verification reports on their Global Sources online homepages. Suppliers rated 5 or 6 stars have a Credit Check report from First Advantage or Sino-Trust and a Supplier Capability Assessment report provided by Bureau Veritas online. The rankings are correct at the time of publication and may be subject to change.

NOTE TO READERS: All prices quoted in this magazine are in US dollars, unless otherwise specified. FOB prices were provided by the companies interviewed only as reference prices at the time of the interview and may have changed. Readers seeking firm quotes on products mentioned in this magazine should contact the manufacturers/traders directly. All product images are provided by the companies interviewed and are for reference purposes only. Those product images featuring products with trademarks, brand names or logos are not intended for sale. Products that are not the specific topics of editorial articles are shown for illustrative and/or demonstrative purposes only. We, our affiliates, and our affiliates' respective directors, officers, employees, representatives, agents or contractors do not accept and will not have any responsibility or liability for product images (or any part thereof) which infringe on any intellectual property or other rights of a third party.

All publishing rights and copyrights are held by Trade Media Ltd.

Highly efficient infrared PTC heater with touch display

Aluminum PTC heater with LED display

More than 60 new products created annually

Home Depot, Walmart and Menards trust us

Konwin Electrical Appliances Group is a 10-year supplier of small household electric appliances to major brands in Europe and the US. With our own design department, we can release over 60 new products and 20 new molds annually. Our experienced engineers have obtained patents for product design and utility and can prepare samples of products in seven days. Our three factories, covering 25,000 square meters, can turn out up to 250,000 units monthly on automated production lines. Delivery time is 35 days.

Our 17 QC specialists have established a comprehensive quality control system according to ISO 9001:2000 standards. Furthermore, our products carry CB, CE, GS, RoHS, REACH, ETL, CETL and NOM marks, so they are ready for export to Europe and

the US. Our annual export capacity is \$80 million. This attention to quality and ability to meet specific requirements have impressed several big buyers, such as Home Depot, Walmart, Menards, Lowe’s, Argos, Big Lots and True Value. Inquire today.

How much value can you get from “one-row”?

If you’re tired of looking at dozens of pages of search results, try Global Sources’ “one-row” search results.

Our objective is to help you quickly identify suppliers who have the products and capabilities you need.

In just one row, you can quickly get more information on various aspects of the suppliers background and qualifications. You can also easily expand the row to see as many as 46 relevant products.

To get started, visit Globalsources.com today!

Simplify your supplier search now!

18 years of OEM/ODM electric heater experience

A vendor to Home Depot with 50 new items every year

Infrared heaters

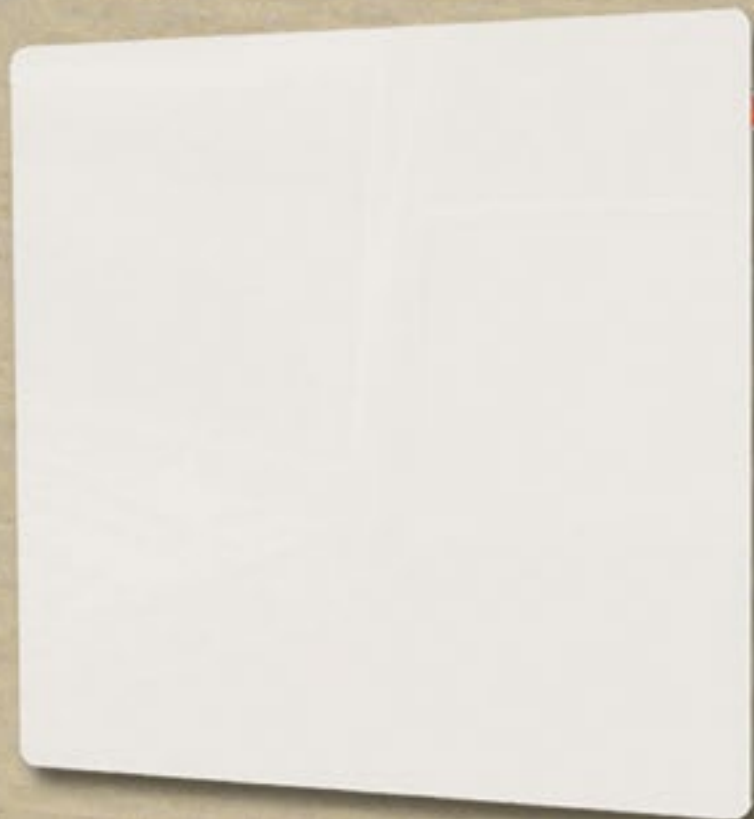

Soda machine

PTC heaters

360° oscillation stand fan

New molded panel heater with stronger body construction

Since 1995, we've been supplying electrical appliances to wholesalers and distributors in North America, Europe and other regions. The 15 engineers on our R&D team develop 50 new items every year based on the latest trends. You can choose from our collection or let us handle your OEM/ODM projects like we have done for Glen Dimplex for the past 12 years.

Today, our export volume is one of the largest in the industry. We ship 200 forty-foot containers filled with products such as heaters and fans each month, and are able to produce up to 400,000 units each month for volume orders. Eight production lines, two assembly lines and a jet-plastic line from Germany help our ISO 9001:2000-certified factory achieve this massive capacity.

For your peace of mind, we offer one year warranties. Find out why Home Depot has chosen to source from us by inquiring now.

Touch-screen RO water dispenser

Water treatment experts since 1999

Side-stream RO water system

Tabletop RO water purifiers

RO water dispensers

RO water cooler

At Ruiher Alternative Energy Co. Ltd, we're experts in water treatment systems. If you need a trusted source for high-quality products that handle a resource as precious as your drinking water, then check out the catalog we've been building for the last 15 years. We offer over 100 models of water dispensers and coolers, drinking fountains, water filters and RO purifiers, atmospheric water generators, soda water machines and water boilers.

To keep our selection up-to-date, we develop 3 new models every month. All items bear CE, UL, CB, SASO and RoHS certifications. Such marks of quality ensure that our goods can be easily imported by buyers in Europe, Australia, the Americas and the Middle East.

As well, we have the production capacity to handle large- and small-quantity orders. In our 5,000m² ISO 9001:2008- and ISO 14001:2004-certified factory, 500 employees turn out up to 600,000 units annually. We deliver orders within 25 days and need only one week to process your sample requests. To learn more about our extensive list of water treatment products, visit our Global Sources online showroom today.

Cover Story: [Electric food processors](#)

Multifunction units dominate selections

The latest releases can double as juice extractor and egg beater. Many have multiple speed settings, overheat protection and nonslip feet.

500W low-noise motor

Foshan Shunde Jutian Electric Appliance Co. Ltd
 Foshan Shunde Jutian’s model JT-6016H (Black) electric food processor integrates blender, juicer, dry mill, meat grinder, chopper and slicer functions, and comes with overheat protection. The housing and blades are made of stainless steel. The unit adopts a 500W low-noise motor and operates at 110 to 240 at 50/60Hz. It also has nonslip feet.

Double safety locks

[Heshan Chingyeung Plastic Mold & Hardware Products Co. Ltd](#)
 ★★★★★

The model CY-323 electric food processor from Heshan Chingyeung comes with a 1.75L plastic or 1.5L glass blender jar, 1.2 or 2L plastic bowl, grinder, juicer, emulsifying disc, whisk, spatula, and stainless steel slicer, julienne cutter, fries slicer, shredder and chopper. The 800W unit has four speed settings, including pulse mode, and double safety locks. It incorporates nonslip rubber feet.

[GET PRICING](#)

Separates pulp from juice

[Hong Kong MLS Trading Co. Ltd](#)
 ★★★★★

Hong Kong MLS’ MJ-616A model combines juicer, blender and grinder functions, and has a stainless steel housing, filter and blades. Juice and pulp are automatically separated via its easy-to-clean pulp collector. The juice cup has a capacity of 600mL while the pulp cup can hold 1.6L. The 350W unit operates at 110 to 240V at 50/60Hz and integrates overheat protection. The electric food processor runs at 18,000 to 20,000rpm.

ABS, AS housing

Ningbo Shunhui Electric Appliance Co. Ltd

Ningbo Shunhui offers the model SHGL 800-1-1-1-80 electric food processor that adopts stainless steel blades, and an ABS and AS housing. The 350W unit has a capacity of 1.5L and functions as a blender, grinder, meat chopper, mincer, slicer and egg beater. It comes with a safety switch and runs on 110 to 240V at 50/60Hz.

Electronic settings

Shing Lung Co. Ltd

★★★★☆☆

Shing Lung's SL-9817 model integrates three electronic cooking programs and 10 speed levels. It also incorporates a blue backlit LCD, digital temperature indicator and 60min timer. The electric food processor has a 5.5L stainless steel bowl and a 1.5L glass jar with filler opening and scale. It comes with a metal whisk and stirring hook, kneading hook, flexible stirrer, splash guard lid, stable suction feet and cable storage compartment.

Use third-party verified tools for more confidence and peace of mind when finding suppliers!

- When top buyers like you source online, you want to know whether suppliers:
- Are trustworthy, reliable and financially stable*
 - Can meet your specific requirements for product manufacturing and delivery*
 - Have potential to be long-term trading partners*

Global Sources has partnered with independent third-parties to provide you with tools that verify suppliers and help you make better sourcing decisions.

- Credit Check:**
- Confirms a supplier’s status as a legally registered business
 - Together with Verified Business Registration Details, Credit Check assures transparent and authentic information online
 - All facts and figures are gathered from government agencies by Dun & Bradstreet (D & B) and Sinotrust — two of World’s most trusted business credit reporting providers

- Supplier Capability Assessment:**
- Confirms details about a supplier’s operations, production capabilities, QC processes and management through factory tours, management interviews and documentation reviews
 - Offered through TÜV SÜD and Bureau Veritas, the world’s leading conformity assessment and certification services providers
 - Plus, request your custom company and product inspections

We know you want to source from suppliers that have been verified by third-parties, and we have made it easier for you to find them. Visit GlobalSources.com to learn more today.

Online metrics

Food-preparation appliances

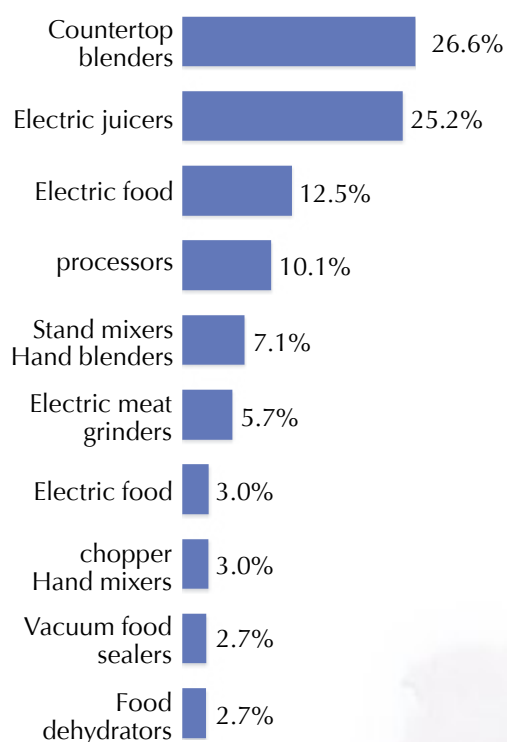

Online metrics are taken from buyer and supplier activity in the featured product group on www.globalsources.com in the month preceding publication of this magazine.

- **Buyer requests** track total inquiries from our independently verified worldwide community of more than 1 million buyers.
 - **Product profiles** represent the total number of unique products available from export-ready suppliers in our easily searchable catalogs.
 - **New product postings** indicate the number of new product profiles added to our website by suppliers during the period.
- For these and thousands of other categories, visit Global Sources online and sign up for Product Alerts to receive the latest supplier postings. Use the website's Product Search function to find hundreds of products and send inquiries directly to verified exporters.

Competitive prices and high-quality products thanks to stable relationships with suppliers

6-piece nylon kitchen utensil set

5-piece kitchen knife set with colorful blades

6-piece kitchen knife set

Established relationships with buyers in the US and Europe

Ten years of exporting cookware and home products has given us the experience needed to confidently handle large orders. Established in 1999, we have stable relationships with buyers in the US and Europe, as well as the Middle East and Asia. On top of that, we also have stable relationships with raw material suppliers which allows us to offer competitive prices and high-quality products.

Large catalog

In addition to our 1,000 models, our R&D engineers release five new products every month. They can speak fluent English and are ready to discuss your individual requests. And after your needs are confirmed, they can produce a customized sample within seven days.

Find us at trade shows worldwide

We attend several trade shows all over the world. Recently we have attended shows in Germany, Hong Kong, Guangzhou and Shanghai. We like to communicate with our buyers directly, and keep up to date with ever-changing markets. We are able to output 300,000 items per month, and are ready for your volume orders. Contact us today.

Melamine bowls and kitchenware

Aldi, Tchibo, Lidl and Target partner with us

Take advantage of our rich experience in silicone and plastic kitchenware and household items trusted by Target, Aldi, Lidl and Tchibo. With our advanced technology and machinery and team of skilled professionals, we can provide our clients with top-notch products and solutions. Add to that a group of well-trained technicians who are experts in product development and manufacture.

Our high-quality products are made of FDA-compliant liquid silicone and solid silicone materials, and come with LFGB, BSCI and SGS marks. We are also equipped with our own injection molding, blow molding and ultrasonic welding machines. To ensure that orders are completed on time, we maintain an integrated production process, which includes an in-house R&D center and molding, assembly and QC departments. Get in touch with us today to start sourcing.

Disposable dinnerware

Disposable dessert cups

Clients in the US and Europe trust us with their volume orders

All products comply with BRC, EEC and REACH standards

When the biggest retail chains in the US and Europe need large volumes of disposable plastic food containers, cutlery, drinkware and dinnerware, they trust us. Our own ISO 22000:2005-certified facility, plus the support of five partner factories, enables us to turn out 60 forty-foot containers monthly.

To ensure quality, we only source FDA-approved raw materials from our trusted long-term suppliers. We also carry out a series of stringent in-house inspections throughout the manufacturing process and provide written test reports for every order.

All of our products comply with BRC, EEC and REACH SVHC regulations, so you're assured of their safety. Plus, they are inspected and certified by SGS. That's why top retailers such as Walmart and Tesco come to us – they can count on quality merchandise when they receive our shipments. To benefit from our production power, call us today.

Production support from over 100 factories

Giving us the capacity to handle any order

With nearly 10 years of experience, we provide export and management sourcing services for importers in the houseware field. And having access to a network of 100 factories on-call, worldwide, enables us to deliver your volume orders on time. Apparently, word has gotten out because our range of small appliances, like trash bins and bathroom accessories has become popular in Europe, North America, Asia, Oceania and Africa.

In fact, last year's exports yielded \$90 million in revenue. To offer our customers products of consistently high quality, our QC officers perform stringent functional and aging tests,

starting with raw materials and ending with the finished product. We also offer full OEM/ODM customization services in our ISO 9001:2000-certified factory. To see our entire line, visit our Global Sources website today.

5,000+ models with 98% made for export

3-piece forged tool set

98% of our output is made for export

Founded in 2009, Parco manufactures and exports BBQ tools and accessories, as well as other related items, with over 5,000 items in our selection. About 98 percent of our output is for export. Our current markets are Europe, the US, the Middle East and Southeast Asia, with our clients being Walmart, ASDA, ALDI, OBI and ICA AB.

Supported by 10 designers with 10 years' experience

Twenty percent of our sales income is invested in R&D each year. Our R&D team has 10 engineers with 10 years' experience on average. We also have a mold team, a mold workshop occupying 200m² and a full range of advanced equipment. With such resources, samples can be completed within 15 days.

Carrying RoHS, CE and LFGB marks

We have 20 QC staff members to ensure the quality of our products. Because of their strictness, our products are shipped carrying RoHS, CE and LFGB marks. We also own two factories which cover 40,000m² and 20,000m² respectively. These resources enable us to deliver 600,000 BBQ tools every month. Our MOQ is 500 units and delivery takes just 35 days.

Dish drying mats

Microfiber kitchen towels

Our extensive range of 3,000 houseware products is awaiting your selection

Samples are ready in one week

If you're in the market for a wide range of bathroom, household cleaning and home products, look no further. Choose from our catalog of 3,000 products, including towels, bathroom sets, cleaning cloths, floor mops, brooms, brushes, window squeegees, ice scrapers and much more. We also offer home appliances and car care products. Few other suppliers in mainland China can boast such an extensive range. In business since 1993, we primarily export to North America, Europe and Japan, and supply our products to Walmart, CTC and OBI. Every year, buyers like these help our sales exceed \$20 million.

We operate 15 production lines so we can export up to 1 million pieces monthly. And our ISO 9001:2000-certified factory spans more than 10,000m² and is manned by over 350 skilled workers. We welcome orders starting from 1,000 pieces and will complete deliveries within 30 days. We can also create OEM samples from your ideas in one week. For more details about our large range of products, contact us today.

Survival knife with LED flashlight

We sell more than 1 million units monthly

And have more than 26 years of industry experience

Buyers from North America and Eastern Europe purchase more than 1 million of our stainless steel products every month. That’s because, since 1988, we have been offering an extensive lineup of survival and hunting knives, corkscrews, multitools and LED flashlights, with five new items added monthly.

Our products were developed by 18 designers with more than 10 years of experience each. If you need custom services, we can render your specifications and have a sample and mold completed within 25 days.

We operate according to an ISO 14001:2004-certified management system. Our items are made using the finest 2Cr13 (420) stainless steel inspected by SGS, and then assembled utilizing a suite of precision machinery from Germany. That’s how we have achieved a 99 percent qualification rate. For more details, contact our sales representatives today.

Foldable silicone food steamer, microwave-safe

Over 60 suppliers with 10 years' experience in exports

Trusted by Amway, Tesco, Yakult, Nestlé and Diageo’s Johnnie Walker brand

Our network of over 60 suppliers, who all have at least nine years of export experience, helps us expediently meet the needs of big buyers such as Amway, Tesco, Yakult, Nestlé and Diageo. With big names such as these sourcing from us, you know that we must be a name to trust. Our eight QC inspectors based in Fuzhou frequently travel to Zhejiang and Guangzhou to inspect the products from our factories there.

Choose from PP, ABS, PVC, PS, nylon and metal when you’re considering materials. Or, make a custom request.

We have 3,000 styles of products with ready-made molds for you to choose from. And samples can be ready in seven days. Place your logo on any of our products, such as kitchen items, car accessories, and party and festival supplies. Our products meet EN 71, ASTM and CE guidelines.

We export to Japan, Europe and North and South America for both commercial and social events. Visit our Global Sources Online showroom to get started today.

Over 20 years of experience designing quality cookware and flatware

Stainless steel cookware sets

Since 1992, we have been designing and manufacturing cookware and flatware exclusively for foreign markets. Sixty percent of our goods are exported to the US and the EU, with the remainder shipped to countries in Asia and Latin America. We own a 20,000m² factory with a monthly production capacity of forty 40-foot containers. Our products include pots, pans, egg poachers, colanders, storage containers, mixing bowls and much more. We also warmly welcome all your ODM/OEM order requests.

Innovation

“ For us, innovation is the key to success in an ever-changing market. Recent years have seen major transformations in global trade, but Global Sources has always kept us ahead of the curve. That was true when they pioneered the use of internet for marketing and it is true today as they help us explore emerging markets. One thing has remained unchanged: our joint determination to create win-win results over 17 years of cooperation. ”

When a supplier cannot provide certificates

A “fake” certificate is often a real certificate that was issued regularly by an accredited testing laboratory and later “photoshopped” to show another product and/or supplier name.

Another popular method is that of obtaining a “real” certificate that does not correspond to actual tests (in other words, the result is always a “pass”). The most savvy China suppliers know the exact price for this service.

I guess 10 to 30 percent of the certificates given by China suppliers to their customers are fake.

So the question for the serious importer is: How to get a REAL and LEGITIMATE certificate, in case the supplier has not already obtained it?

If the supplier ACCEPTS to get it at their cost

As an importer, you are 100 percent responsible if the products are sold in your country, and are found dangerous and illegal. So I advise to micromanage this process if you have enough time:

- Give your supplier a few names of testing labs you “strongly prefer.” Avoid local China labs if possible.
- Ask to see the application before it is sent by your supplier to the lab. Make sure you get the report directly, at the same time as your supplier. This way, if the product fails the tests, you will know about it.

I realize that your relationship with the supplier might not be good enough to request what I suggest above. But it is certainly worth asking for!

If the supplier REFUSES to get it at their cost

I guess some purchasers who read this article will think,

– In preproduction, the manufacturer is supposed to pay for the certification of his product in case it is subject to regulations such as RoHS and CE.
– In production, the importer is supposed to pay and have samples from the batch to be tested. Suppliers often use good components for preproduction samples and cheap inputs for production. That is a huge source of risk.

“The factories I work with will never pay for it.” That is very probable, unfortunately.

And, if they do pay for it, are not they including that cost in the product unit price?

For these reasons, some very sophisticated importers pay for certificates and what they get in exchange is full control of the situation:

- They get to work with the laboratory they want.
- They receive reports and know when the result is failed.
- The report is issued in their company’s name and the supplier does not even get to see the report.

This last point is more important than it seems. It means the supplier cannot easily use the certificate to sell the same product to other customers.

Any other tips in this case?

Renaud Anjoran has been managing his quality assurance agency (Sofeast Ltd) since 2006. In addition, a passion for improving the way people work has pushed him to launch a consultancy to improve factories and a web application to manage the purchasing process. He writes advice for importers on qualityinspection.org.

Product Index

This index will help you quickly find the products you are looking for. On the PDF version of this magazine, enter a page number in the top bar of your PDF Reader to go directly to that ad page. Return to this page anytime by clicking on Product Index at the top of each page.

Source smarter with Star Ranking

- Global Sources’ six-star ranking system helps you find the suppliers that match your needs
- Companies with more stars are generally larger and more experienced exporters
- Companies with more stars have paid more to get more exposure, and to provide you with more information to evaluate their capabilities
- Looking for large, well-established suppliers? Contact 4, 5 and 6-star suppliers
